

Department: Computer Science				
	Day Course(s)	Evening Course(s)	Online Course(s)	Cherokee Center
Fall 2016				
	COMP 110 Computer Concepts and Applications	COMP 110 Computer Concepts and Applications	COMP 110 Computer Concepts and Applications	COMP 110 Computer Concepts and Applications
	COMP 135 C+++ Programming		COMP 120 Computer Information systems	COMP 120 Computer Information systems
	COMP 120 Computer Information systems		COMP 180 Introduction to Networking	
			COMP 130 Introduction to Programming	
Department: Computer Science				
Spring 2017				
	Day Course(s)	Evening Course(s)	Online Course(s)	Cherokee Center
	COMP 110 Computer Concepts and Applications		COMP 110 Computer Concepts and Applications	COMP 110 Computer Concepts and Applications
	COMP 120 Computer Information Systems	COMP 110 Computer Concepts and Applications	COMP 120 Computer Information systems	COMP 120 Computer Information systems
	COMP 138 Visual Basic Programming		COMP 182 Network Administration I	
			COMP 192 Database Concepts and Apps.	

Department: Computer Science				
Summer 2017				
	Day Course(s)	Evening Course(S)	Online Course(s)	Cherokee Center
	Comp 110 Computer Concepts and Applications	Comp 110 Computer Concepts and Applications	Comp 110 Computer Concepts and Applications	Comp 110 Computer Concepts and Applications
