CERTIFIED MEDICATION AIDE (C.M.A.)

ACADEMIC CURRICULUM MAP

An academic map is a suggested two-year schedule of courses based on degree requirements. This sample schedule serves as a general guideline to help build a full schedule each term. Milestones, courses, and special requirements necessary for timely progress to complete a major are designated to keep you on track to graduate in two years.

This map is not a substitute for academic advisement—contact your advisor if you have any questions about scheduling or about your degree requirements. Also see the current academic catalog for a complete list of requirements and electives. Note: Requirements are continually under revision, and there is no guarantee they will not be changed or revoked; contact an advisor, the department and/or program area for current information.

Course Requirements

- 1. Student must be 18 years of age or older to take the state test
- 2. Must have a valid Kansas Certified Nurse Aide License
- 3. ACCUPLACER Next Generation Writing (Minimum score of 240) or ACT reading (Minimum Score of 13) or COMPASS reading test (Minimum score of 60)
