

BUSINESS ADMINISTRATION

ASSOCIATE IN SCIENCE

This program is designed for transfer to a four year institution. This program is appropriate if the student wishes to study management, marketing, finance or other business concentrations at a four year institution. The degree program can also prepare a student for immediate work in the field.

Concentration Requirements **21**

<input type="checkbox"/>	ACCT	112	Financial Accounting	3
<input type="checkbox"/>	ACCT	114	Managerial Accounting	3

Requirements

Students must have an appropriate ACT, SAT, COMPASS or ACCUPLACER score to enroll in English, Math or certain general education courses. Exceptions may apply for students with 12 or more general education credit hours; see your advisor for personal consultation.

Recommended Course Sequence

SEM 1: ACCT 112, BUAD 101

SEM 2: ACCT 114

SEM 3: MATH 120, ECON 203

SEM 4: BUAD 110, ECON 204

Student Organization

Membership in Phi Beta Lambda is encouraged. This organization develops and enhances leadership and business skills. Students can participate in state and national competitions, where top students are recognized with trophies and cash awards.

After Graduation

Students can gain entry-level employment or enhance their career advancement opportunities. Students can transfer to a four year institution to pursue a bachelor's degree.

Courses designated as Physical Science, Natural Science, Humanities, Social Behavioral and General Education electives can be found on page 82.

Placement Tests or pre-requisites are required for English Composition I, Math courses and most General Education Electives. See page 31 for complete Placement information.

All first-time, full-time students with fewer than 15 credit hours after high school graduation are required to enroll in the College Success Skills course during their first semester.

Some courses are not offered each semester. Always make an appointment with your major advisor to enroll each semester.
