

# DENTAL ASSISTANT

## CERTIFICATE

Students who enroll in this program will learn how to perform a wide range of duties important to dental care, including: chairside assisting, first aid, radiology, office and lab procedures, and practice management. In addition to classroom work, students receive over 300 hours of real-world clinical experience at a variety of dental facilities so that when they do graduate, they can feel confident in their ability to do their job, regardless of the position they are in.

### Accreditation

The Dental Assistant Program has been granted full accreditation by the Commission on Dental Accreditation (CODA), 211 East Chicago Avenue, Chicago, IL 60611-2678, (312) 440-4653, <http://www.ada.org/100.aspx>.

### Requirements

Students interested in the Dental Assistant Program can be admitted to the College on the same basis as other students, but admission to the College does not ensure admission into the Dental Assistant Program. Acceptance in the Dental Assistant Program is based on the criteria established by the department. CPR certification is required prior to admission. To obtain more information about the criteria and to get a copy of the application procedure please contact the Program Director, Leigh Ann Martin at (620) 232-5820 ext 107

### Recommended Course Sequence
