

# EDUCATION-EARLY CHILDHOOD EDUCATION

## ASSOCIATE IN SCIENCE

The Associate in Science Degree in Early Childhood Education provides an excellent foundation in childhood learning and development. This program provides knowledge and understanding to the student to create an environment that fosters the learning and developmental needs of children. Curriculum development is also highlighted.

- SEM 2:** EDUC 151
- SEM 3:** Concentration Elective
- SEM 4:** EDUC 152, EDUC 154, Concentration Elective

**After Graduation**

Upon completion, students meet the educational requirements for employment as a Para-professional in a public school in addition to a variety of early childhood settings. Students can transfer to a university or college to pursue a Bachelor of Science Degree in Early Childhood Unified that would allow licensure with Kansas Department of Education, to teach regular and special education from the birth to third grade level.

<input type="checkbox"/>	EDUC 126	Childhood Program Planning 0-5	5
<input type="checkbox"/>	EDUC 131	Observation and Assessment in Early Childhood Settings	4

Courses designated as Physical Science, Natural Science, Humanities, Social Behavioral and General Education electives can be found on page 82. Placement Tests or pre-requisites are required for English Composition I, Math courses and most General Education Electives. See page 31 for complete Placement information. All first-time, full-time students with fewer than 15 credit hours after high school graduation are required to enroll in the College Success Skills course during their first semester. Some courses are not offer each semester. Always make an appointment with your major advisor to enroll each semester.

# EDUCATION-ELEMENTARY EDUCATION

## ASSOCIATE IN SCIENCE

The courses in this program will meet the requirements for an Associate in Science Degree in Elementary Education at Labette Community College. This program is a solid foundation to understanding curriculum development, classroom management, and the elementary education school setting. Courses are transferrable to Kansas Regent schools, but since requirements at 4-year colleges vary, students must refer to the 4-year college of their choice to determine course enrollment at LCC.

**Credits Required:** 63

### After Graduation

Students will be prepared to continue their education at a 4-year college. A Bachelor’s Degree is the minimum requirement to pursue a career as an elementary teacher (K-6). A student could also utilize an Associate Degree in Elementary Education in order to obtain a Kansas Substitute-Teacher’s License and begin work in the school system.

Students transferring to a 4-year college should contact the advisor at that university to ensure transferability of coursework. It is the student’s responsibility to follow the transfer requirements for his/her transfer institution.

### Recommended Humanities and General Education Electives

See your Advisor to discuss specific General Education Requirements for transfer schools.

<input type="checkbox"/>	ECON	101	Issue’s In Today’s Economy	3
<input type="checkbox"/>	ENGL	206	General Literature	3
<input type="checkbox"/>	HIST	101	American History to 1877	3
<input type="checkbox"/>	HIST	102	American History from 1877	3
<input type="checkbox"/>	POLS	105	American Government	3
<input type="checkbox"/>	SOCI	101	Sociology	3

Courses designated as Physical Science, Natural Science, Humanities, Social Behavioral and General Education electives can be found on page 82.

Placement Tests or pre-requisites are required for English Composition I, Math courses and most General Education Electives. See page 31 for complete Placement information.

All first-time, full-time students with fewer than 15 credit hours after high school graduation are required to enroll in the College Success Skills course during their first semester.

Some courses are not offer each semester. Always make an appointment with your major advisor to enroll each semester.

# EDUCATION-SECONDARY EDUCATION

## ASSOCIATE IN SCIENCE

The courses in this program will meet the requirements for an Associate in Science Degree in Secondary Education at LCC. Since requirements at 4-year colleges vary, students must refer to the 4-year college of their choice to determine the transferability of courses. An Associate in Science in Secondary Education will help prepare a student to transfer to a 4-year college and be successful in future endeavors
