Accreditation
The LCC PTA program is accredited by the Commission on the Accreditation in Physical Therapy Education. 703-706-3245; email: accreditation@apta.org

Requirements
The prerequisite courses must be completed or be in progress at the time of application submission. Acceptance to the program is through a competitive process based on program criteria. Our application and requirements can be accessed on the LCC web site, http://www.labette.edu/pta/index.html. Acceptance to LCC does not ensure acceptance into the PTA program.

Recommended Course Sequence
SEM 1: PTA 101, PTA 102, PTA 103, PTA 104, PTA 105
SEM 2: PTA 201, PTA 202, PTA 203, PTA 204
SEM 3: PTA 205

Student Organization
Students enrolled in the PTA program participate in the PTA club. Our students work together to promote the art and science of Physical Therapy. The students engage in providing community services and fund raising activities. Our students are encouraged to be members of our national organization and attend conferences at the state and national levels.

After Graduation
Once you have successfully completed the program you must pass the national examination for Physical Therapist Assistants to acquire a license to practice. Once you have a license there are many career opportunities available in many settings. Physical Therapist Assistants work to help individuals to recover from an injury, return to work or athletic activities, or to improve their abilities to allow individuals to function as independent as possible. Opportunities include working with people throughout the life span in settings such as hospitals, clinics, specialty centers, school systems, long term care, and home health. Many PTA’s also accept travel assignments throughout the United States and the world. PTA’s can advance their careers in the areas of management or earn additional certified skills. PTAs may also seek to advance their education and pursue a degree to become a Physical Therapist.

Courses designated as Physical Science, Natural Science, Humanities, Social Behavioral and General Education electives can be found on page 82.

Placement Tests or pre-requisites are required for English Composition I, Math courses and most General Education Electives. See page 31 for complete Placement information.

All first-time, full-time students with fewer than 15 credit hours after high school graduation are required to enroll in the College Success Skills course during their first semester.

Some courses are not offer each semester. Always make an appointment with your major advisor to enroll each semester.
