ASSOCIATE IN SCIENCE

The Pre-Pharmacy degree is designed to provide students with the basic pre-pharmacy requirements needed for entrance into the KU Pharmacy program. Students transferring to a different 4-year college should contact the advisor at that university to ensure transferability of coursework. It is the student’s responsibility to follow the transfer requirements for his/her transfer institution.

Concentration Requirements 25

- □ BIOL 120 Biology 5
- □ BIOL 201 Microbiology 5
- □ CHEM 124 College Chemistry I 5
- □ CHEM 126 College Chemistry II 5
- □ CHEM 204 Organic Chemistry I 5

General Education Requirements 40

- □ BIOL 130 Anatomy & Psychology 5
- □ CHEM 207 Organic Chemistry II 5
- □ COMM 101 Public Speaking 3
- □ ENGL 101 English Composition I 3
- □ ENGL 102 English Composition II 3
- □ MATH 130 Calculus I 5
- □ PED 116 Lifetime Fitness 1
- □ PSYC 101 General Psychology 3

Humanities Electives 6

Social and Behavioral Science Elective 3

General Education Elective 3

Credits Required: 65

Recommended Course Sequence

SEM 1: CHEM 124
SEM 2: BIOL 130, CHEM 126
SEM 3: BIOL 201, CHEM 204
SEM 4: CHEM 207

After Graduation
According to the U.S. Department of Labor’s 2015 Occupational Handbook, the annual salary for Pharmacists is $121,500.

Courses designated as Physical Science, Natural Science, Humanities, Social Behavioral and General Education electives can be found on page 82. Placement Tests or pre-requisites are required for English Composition I, Math courses and most General Education Electives. See page 31 for complete Placement information. All first-time, full-time students with fewer than 15 credit hours after high school graduation are required to enroll in the College Success Skills course during their first semester. Some courses are not offered each semester. Always make an appointment with your major advisor to enroll each semester.
