

SOCIAL AND HUMAN SERVICES

ASSOCIATE IN SCIENCE

This program is designed for transfer to a four year Institution with a concentration in Developmental Disabilities in Human Services. This program is appropriate if the student wishes to launch a career in community-oriented social and human services occupations. The degree program can also prepare a student for immediate work in the field.

Credits Required: 60

- _____

After Graduation

Student can gain entry-level employment in or enhance their career advancement opportunities. Students can transfer to PSU with our Articulation Agreement to pursue a bachelor's degree.

Courses designated as Physical Science, Natural Science, Humanities, Social Behavioral and General Education electives can be found on page 82. Placement Tests or pre-requisites are required for English Composition I, Math courses and most General Education Electives. See page 31 for complete Placement information. All first-time, full-time students with fewer than 15 credit hours after high school graduation are required to enroll in the College Success Skills course during their first semester. Some courses are not offer each semester. Always make an appointment with your major advisor to enroll each semester.
