LANG 128 (1153) Spanish II (IO) KRSN SPA1020\*\*

Reading Placement Test Level: None

Prerequisite: LANG 127 Spanish I

Credit Hours: 5

Spanish II is a five credit hour transfer course. Spanish II is a performance-oriented program designed to make the study of Spanish a flexible and personal experience. Upon completion of the course, students will be able to pronounce, read, write, and understand Spanish phrases and maintain a full conversation. Comprehension, oral and written, will focus on "survival skills" as well as exposure to Spanish literature such as poems and short stories. The student will be fully involved in the study of all tenses in Spanish (present, preterite, imperfect, future, conditional, and subjunctive) as well as the use of command forms both familiar and formal.

## Geography

GEOG 101 (911) World Regional Geography KRSN GEO1010\*\*

Prerequisite: None

Credit Hours: 3

The first part of the course surveys the basic concepts of physical and human geography. In the remainder of the course these concepts are applied to a study of the major regions of the world. Emphasis is placed on the themes of development, conflict, and globalization, with the goal of providing students the tools to develop informed perspectives on current global events.

GEOG 102 (912) North American Geography

Prerequisite: None

Credit Hours: 3

This is a course about the geography of North America. Emphasis is on the key environmental, cultural, economic, and political issues facing North America today. The course does pay a small amount of attention to physical geography, and also to the historical processes that have helped to shape each region in North America. Because of the physical, economic, and cultural linkages of the United States and Canada to the Mexican borderlands, along with their environmental and physical connections to the island of Greenland, this course also includes studies of the USA-Mexico borderlands region and Greenland.

## Graphic Design Technology

GRAP 103 Introduction to Graphic Design

Prerequisite: None

Credit Hours: 3

An introduction to fundamental design principles and theories of graphic communication. Emphasis will be placed on the graphic design process and the development of skills to solve two-dimensional graphic design problems. Graphic design careers, trends, and technology will also be explored.

GRAP 107 (1099) Introduction to Desktop Publishing
