

Credit Hours: 3

This introductory course prepares the student to take the national Pharmacy Technician Certification Board (PTCB) examination. It includes both online instruction and a clinical observation (30 hours total) with opportunities to observe a compounding pharmacist and in an independent retail pharmacy, a long-term care facility and a hospital pharmacy. This course is designed to prepare the student to sit for the certification exam, and as an observational introduction to pharmacy operations. It is not intended to be a comprehensive career readiness course.
