Honor Walk

For this event we are asking participants to take their time and walk around the park in honor of those who have served in our community. Information about service members and Veterans will be posted for the community to get to know

those who have served and continue to serve from our community.

Resource Fair

Learn about what local businesses and organizations have to offer the military-connected community. Vendors include: VFW, American Legion, Charlie 22 Outdoors, Labette Center for Mental Health, and many other!

Why the Carving?

The Bald Eagle is unique to North America which makes it a great symbol for our country. They represent strength and independence; they are survivors. They are a symbol of strength and determination which is also a great representation of our Veterans and Service Members.

**WANT TO HONOR A LOCAL VETERAN OR SERVICE MEMBER?
SUBMIT THEIR INFORMATION SO THEY CAN BE REPRESENTED AT OUR
