The Chair of the Board explains the Board’s approach to the public comment with the following statement: **“At this time we invite any one in the audience to speak to the Board about any item or concern that pertains to the college. By policy, at this time the Board will not take any action on any item or concern, but we will be happy to take it under advisement for possible future action. Also, please take a moment to silence or turn off your cell phone.”** The Board also retains the right to set time limits on public comment.

In the event that a large number of citizens are present and wish to speak in favor or in opposition to an issue before the Board, the Board reserves the right to poll the number of citizens in favor of and in opposition to the issue at hand as well as to limit the number of spokespersons representing opposing viewpoints.
