

Applicant To-Do List

Refer to the program requirements

Complete the required information session.

Register for the information session at: https://bit.ly/sono_info. You will receive an overview of the program via email within two business days after registration.

Complete the LCC admissions application

[Admissions | Labette Community College](#)

Submit official transcripts

Send to LCC via an electronic service like National Student Clearinghouse, Parchment, etc., or mail directly from the issuing colleges in sealed envelopes. Please allow 2 weeks for the evaluation process. Transcripts delivered by email, fax, or as photocopies are not deemed official. [Registrar | Labette Community College](#)

Submit professional resume

Resume needs to include your educational background and work history. To submit, please upload on the sonography homepage via Box: [Diagnostic Medical Sonography | Labette Community College](#)

Submit your sonography program application.

The application will be available in the application tab starting September 16, 2024. Ensure you have completed the required degree and course prerequisites or are currently working on them by the end of the Spring 2025 semester. Keep in mind that the application deadline is ***March 11, 2025.***

Review of applications will begin on March 24, 2025.
