

General Concentration Abdomen-Extended and OB/GYN

Prerequisite General Education Requirements (18 credit hours)

MATH 100-Intermediate Algebra or higher	3
ENGL 101-English Composition I or COMM 101-Public Speaking	3
BIOL 130-Anatomy & Physiology	5
HEAL 106-Medical Terminology	3
HEAL 109-Physics for Health Science	4

1st Summer Semester (6 credit hours)

DMS 200-Sonography Virtual Lab	6
--------------------------------	---

Fall Semester (16 credit hours)

DMS 201-Introduction to Sonography	3
DMS 211-Sonography Physics & Instrumentation	3
DMS 205-Sectional Anatomy & Physiology	2
DMS 206-OB/GYN I	3
DMS 220-General Clinical I	5

Spring Semester (13 credit hours)

DMS 234-Physics & Instrumentation/Registry Review	3
DMS 207-OB/GYN II	3
DMS 208-Pathology of Abdomen & Small Parts	2
DMS 221-General Clinical II	5

2nd Summer Semester (9 credit hours)

DMS 250-General Sonography Registry Review	4
DMS 222-General Clinical III	5

Vascular Concentration

Prerequisite General Education Requirements (18 credit hours)

MATH 100-Intermediate Algebra or higher	3
ENGL 101-English Composition I or COMM 101-Public Speaking	3
BIOL 130-Anatomy & Physiology	5
HEAL 106-Medical Terminology	3
HEAL 109-Physics for Health Science	4

1st Summer Semester (6 credit hours)

DMS 200-Sonography Virtual Lab	6
--------------------------------	---

Fall Semester (14 credit hours)

DMS 201-Introduction to Sonography	3
DMS 211-Sonography Physics & Instrumentation	3
DMS 230-Vascular Sonography I	3
DMS 251-Vascular Clinical I	5

Spring Semester (15 credit hours)

DMS 214-Introduction to Echocardiography	4
DMS 231-Vascular Sonography I	3
DMS 234-Physics & Instrumentation/Registry Review	3
DMS 252-Vascular Clinical II	5

2nd Summer Semester (7 credit hours)

DMS 237-Vascular Registry Review	2
DMS 253-Vascular Clinical III	5
