

LABETTE COMMUNITY COLLEGE BRIEF SYLLABUS

SPECIAL NOTE:

This brief syllabus is not intended to be a legal contract. A full syllabus will be distributed to students at the first class session.

TEXT AND SUPPLEMENTARY MATERIALS USED IN THE COURSE (if any):

Please check with the LCC bookstore <http://www.labette.edu/bookstore> for the required texts for this class.

COURSE NUMBER:

GRAP 208

COURSE TITLE:

WEBSITE DESIGN SOFTWARE

SEMESTER CREDIT HOURS:

3

DEPARTMENT:

Graphic Design

DIVISION:

Career Technical Education

PREREQUISITE:

None

COURSE DESCRIPTION:

This course will feature Adobe Dreamweaver software. Students will learn about creating web pages and then create one for their online portfolios. These pages will be linked to the Labette Community College Graphic Design page for use by the students as a web presence as they seek employment.

COURSE OUTCOMES AND COMPETENCIES:

Students who successfully complete this course will be able to:

1. Apply the basics of creating web pages using design software.

- Use the software to create a student online portfolio.
- Organize an efficient, easy to read web page that functions well

2. Effectively produce clean pages that work well on the Internet.

- Use helper programs that can locate problem code.
- Understand HTML to a degree so that problem code can be found at the source.
- Employ the elements and principles of design in designing pages for the web.
- Identify problems of design and function for hyperlinks and replace them with better designs.

3. Organize appropriate file formats for delivery via Internet and other multi-media applications.

- Use appropriate support applications for formatting photos, illustrations and animations for web use.
- Create appropriate sized images that load quickly and without file conflicts.

4. Demonstrate writing skills.

- Use language, organization and format appropriate to the subject matter, purpose and audience.
- Check, edit and revise for correct information, grammar, spelling and punctuation.
- Compile and maintain records, logs, lab notebooks and other documents.
