Trigonometry	MATH	125	400 ON		This is an online trigonometry course. As such, we will not be using a traditional textbook. We will be utilizing a software program called "Hawkes Learning Systems". Nearly all assignments, reviews, and chapter tests in this course will be completed via HLS. The cost for the Hawkes System is included in the technology fees associated with enrolling in Online Trigonometry. There will be NO additional cost to register. Your instructor will provide you with the access codes to get registered. Please do not attempt to register on your own, as you will be asked to incur unnecessary expenses.
