**LCC ABE Offers GED Practice Test**

Parsons, KS- The Adult Basic Education program, at Labette Community College is now offering practice tests to help ensure student success. For two weeks only, LCC adult basic education program students can take a free General Educational Development (GED) Ready practice test.

The LCC ABE/GED program is offering free practice testing from September 22-October 3, anytime between 9am-7pm Monday-Thursday, in the Student Support Services building.

“The GED Ready test will give students the skills and a personalized study plan needed to achieve a higher score on the GED test.” said ABE specialist, Nancy Steinert.
