LCC Hosts Community Cinema

Parsons, Kansas-- Labette Community College will be hosting a [Community Cinema MAKERS: Women in Space](#), a film in a 6-part series profiling the impact women have had over the past 50 years in six industries- comedy, politics, space, war, business, and Hollywood. A landmark broadcast and digital-video initiative developed by AOL, MAKERS aims to be the largest and most dynamic collection of women's stories ever assembled.

A free preview screening of MAKERS: Women in Space will be held Thursday, October 9 at 1:30pm without the film viewing and 5:30pm with the film in the Labette Community College Thiebaud Theatre. Admission is free and the event is open to the public.

Guest speaker will be NASA Astronaut, Lt. General Susan Helms giving a presentation and hosting a question and answer session during the 1:30 and 5:30 sessions. Lt. General Helms has served on five space missions for a total of 211 days in space and the record for the longest space walk on campus.
