LCC Foundation Awards Scholarships

The Labette Community College Foundation & Alumni Association recently awarded scholarships for the 2015-16 academic year. A selection committee, consisting of members from the Foundation and Alumni Association Board of Directors, utilized anonymous information received from online scholarship applications to determine awards based on scholarship criteria.

The LCC Foundation was able to award over \$114,500 in the form of scholarships to over 180 LCC students.

“This scholarship will allow me to live out my dream to play college baseball. Without this scholarship, I would not be able to attend Labette Community College,” said Mike Jacobson.

Scholarship funding is provided by donations from endowment gifts and annual contributions to the LCC Foundation and Alumni Association. In addition, a significant portion comes from the proceeds of the annual Auction for Scholarships.

“This scholarship will make my second year of college a little less stressful. I am pursuing my dream of becoming a nurse. I can focus on my studies, rather than the finances it takes to go to school,” said Madison Lewis. “Just like this scholarship helped me, I plan to give back to the community when I become a nurse.”

LCC student and Latzer Art Award winner, Zoe Foster, is a nursing major. “Thank you for this investment in my future, I plan to do well with your investment. By working hard now, in nursing school, I will be able to help many people in the future.”
