Entrance to Stage ▲

Congratulations!

The faculty, administration and staff of LCC are proud of you and your Accomplishments.

This is an important step in your educational experience. To respect this achievement, please dress accordingly. Students earning an Associate's Degree or Certificate may only wear LCC issued caps & gowns, tassels, honor cords, SGA cords, Military cords, SSS stoles and/or PTK stoles. Caps can be decorated but inappropriate designs and words on caps and/or gowns will disqualify students from being part of the graduation ceremony.

Graduation will be held Friday, May 12th at 7 pm at the Forest Park Seaton Family Pavilion, at 13th & Broadway in Parsons, KS. All participants should meet outside between the Student Union and the Annex on the Main Campus to line up no later than 6:45 pm for the commencement ceremony at 7pm.

G. W. Photography will be in the Cardinal Café in the Student Union (lower level) from **5:30 pm until 6:30 pm** for commencement at 7pm to take pictures of graduates in their caps and gowns.

Line up order will be posted outside the Student Union the day of commencement. LCC staff will be there to assist with the line up. Once you get in line, you will receive a name card that has your name and degree on it. If your name is difficult to pronounce, please write your name phonetically so it can be announced correctly.

The Stage Party, Board of Trustees, and Faculty will lead the graduates into the park. Remain standing until LCC President Dr. Watkins sits. The diagram above indicates where you will sit.

Graduates will sit in the center chairs closest to the stage. When it is time to pass out diploma covers, students will be asked to come forward one row at a time. Graduates will hand their name card to the Vice President of Academic Affairs and then wait for him to announce your name. After your name is announced, you will walk over and receive your diploma cover, then go down the stairs and return to your seat. (**Summa Cum Laude** students should return to the empty seats in front of the stage. Please see instructions). Please wait **quietly** while waiting to go onstage.

EXITING THE PARK

Once the ceremony has ended, the Stage Party, Board of Trustees, and Faculty followed by the Summa Cum Laude students will lead the graduates out of the park beginning with the first row – **first in, first out**. Graduates will go out row by row, front to back.
