

Construction Inspector

Apply at: [Home Page KDOT Job Vacancies](#)

This Construction Inspector Trainee position is the entry level for the Engineering Technician class series. Successful candidates may be appointed at a higher-level dependent upon experience and qualifications. This position allows KDOT to train and develop construction (or technician) staff to complete required responsibilities. The employee performs assignments and gains experience while in a training status.

NOTE: *The employee in this position must also maintain Certified Inspection certifications under the KDOT CIT Program as outlined in the Engineering Technician Progression Manual for the specific job path and any additional as outlined by the Senior Manager.*

Job Responsibilities may include but are not limited to the following:

- This position will assist in administering construction contracts, ensuring work is performed per legal requirements and preferred quality is achieved. This will require performing according to specific instruction and standards.
- Work involves performing several basic engineering and mathematical procedures which require following instructions and guidelines and providing accurate and complete records of that work.
- Performs or assists other technicians or engineers in the performance of routine engineering tests in the laboratory or field or inspection on construction projects for compliance with standard practice, specifications, plans, and special provisions. This includes such things as performing or assisting in testing of gradation of aggregates and other standard tests.

Compensation:

- **Base Annual Salary:** \$41,267.20
- **Base Hourly Pay:** \$19.84

Qualifications:

- High School Diploma or equivalent and a passing grade in high school algebra course. You can self-certify by submitting a statement that you passed High School Algebra.
- Valid Driver's License at time of appointment.

Post-Offer/Pre-employment Requirements:

- A CDL must be obtained within 90 days of hire and maintained. KDOT provides CDL training at no cost to the employee.
